Introduction/Purpose of Solicitation

Background

The purpose of this Request for Proposal (RFP) is to enter into a contract with a provider of **Special Education Non-Public Agency** services (collectively referred to herein as “Service Provider”) that will provide Opportunities for Learning, San Juan Capistrano Charter Schools (hereinafter referred to as “OFL-CAPO”) with assistance in the operation of its California public charter school located in San Juan Capistrano, California. The Service Provider will provide services to OFL-CAPO as described in the Scope of Work. The Charter School is currently operated by OFL-CAPO, a California limited liability company. However, in light of Education Code section 47604 as amended by Assembly Bill 406 (2018), operation of the Charter School will transition to OFL-San Juan Capistrano, Inc., a California nonprofit public benefit corporation, upon approval by the San Juan Capistrano Unified School District as the school’s charter authorizer. Any contract resulting from this RFP will need to be assigned from OFL-CAPO to OFL-CAPO, Inc. once the transition is approved and complete.

At OFL-CAPO, our mission is to create an educational choice for all students. Our staff connects with students to empower and inspire them to achieve their goals and make their dreams a reality. Our students enroll with us to meet various unique needs. Some students enroll to accelerate their progress toward their high school diploma so that they are able to graduate sooner than they might in a traditional school. Others are falling behind in a traditional setting and are seeking academic recovery. Still, some students attend OFL-CAPO to eliminate some of the stressors associated with larger class sizes, increased student population, and intimidating social demands of traditional high school settings. Our school offers both independent study courses and small group instruction. Independent study provides students with the space to work at their own pace and develop a heightened sense of accountability. Our small group instruction courses offers a classroom setting with fewer students than a traditional school, in order to maximize support for access to rigorous common core content. In our blended model of independent study and small group instruction students are encouraged to take ownership of their education while still receiving the one-on-one support they need to successfully progress toward earning a high school diploma.

Through this RFP, OFL-CAPO seeks to promote maximum open and free competition consistent with applicable federal and state laws and standards. Outlined below are examples of basic competitive bidding standards OFL-CAPO will use in the issuance of this RFP:

- OFL-CAPO is soliciting competitive proposals in order to secure public objectives in the most effective manner and avoid the possibilities of fraud, collusion, etc.
- OFL-CAPO released this RFP to benefit OFL-CAPO and not the Proposers.
- Fulfillment of RFP specifications is based on full and fair competition and acceptance by OFL-CAPO of the Proposer who meets OFL-CAPO's requirements, as determined by OFL-CAPO when evaluating proposals based on the criteria contained in the RFP.
- The RFP provides a basis for full and fair competition among Proposers to a common standard, free of restrictions that tend to stifle competition.

The above four points are for illustrative purposes only.

To respond to this RFP, interested Service Providers must present evidence of experience, ability, and financial standing necessary to meet the requirements stated in this RFP. OFL-CAPO will measure this evidence by scoring the proposals, using a point system that will rank each proposal from highest to lowest, to determine which proposals they will consider for the award of a contract.

To be competitive in this solicitation, the Proposer must:

- Carefully read the entire RFP, attachments, exhibit, and OFL-CAPO responses to questions before submitting a proposal.
- Ask appropriate questions or request clarification before the deadline in the RFP.
- Submit all required responses by the required deadlines.
- Follow all instructions and requirements of the RFP thoroughly and appropriately.

If a Proposer discovers any ambiguity, conflict, discrepancy, omission, or other errors in this RFP, the Proposer shall immediately notify OFL-CAPO of the error in writing and request clarification or a modification of the RFP. If the Proposer fails to notify OFL-CAPO of the error prior to the date for submission of proposals, and is awarded the contract, the Proposer shall not be entitled to additional compensation or time by reason of the error or its later correction.
