

Opportunities For Learning and Options For Youth: Phases Infographic for Students/Families & Staff

Students enrolled in the OFY/OFL Program for the 2020-2021 school year will be fully engaged with our teachers, support staff, and curriculum in a distance learning or hybrid format, depending on current safety guidance. Students and families should expect to be flexible in moving from one phase to the next but will always be guaranteed an independent study teacher to the greatest extent possible. Families can also “**choose to remain**” in distance learning if they feel it is still not in the best interest of their student to return to the school site.

Definition of Distance Learning:

OFY/OFL teachers will deliver the charter’s standards-based curricula with instruction delivered virtually in an independent study model with access to a teacher on a weekly basis. Students will have access to help and support in a variety of ways.

Definition of Hybrid Model:

To limit the amount of students at each school site and to ensure we are following social distancing protocols, students will be divided into two group and will be allotted an in-person appointment at least one day a week. Students must reserve an appointment with a teacher if they choose to come Fridays (3 students max per teacher desk).
