

Beth Smyth

Term: July 1, 2026-June 30, 2027

Mrs. Beth Smyth has been in education for nearly 40 years. She received her Bachelor's degree in Music Education from California State University, Fullerton (CSUF) in 1980, and her multiple-subject teaching credential through CSUF in 1981. While Mrs. Smyth has taught in both private and public schools, and has taught multiple grade levels, her true passion has been teaching kindergarteners. Mrs. Smyth taught kindergarten for 25 years at Chaparral Elementary in the Poway Unified school district. Mrs. Smyth believes that true connection to each student creates a vibrant and engaging learning environment, and includes various modalities like music in the classroom to support students' experience. Mrs. Smyth also has a Master's degree in Curriculum and Learning from California State University, San Marcos.

Mrs. Smyth, a Southern California native grew up in Orange County, lived in Upland, California, and moved to San Diego County with her husband Bill and family. They enjoy an active life together which includes boating, skiing, and walking. They also enjoy spending time with their three adult children, Heather, Jason and Heidi, and their six grandchildren.
